

INSTRUCTIONS: New single-family residential plans must be submitted with this completed checklist and the documents identified for the plans to be considered meeting the prerequisite requirements as a complete set of plans for plan review. Complete and attach this form to the residential plan submittal set. For **electronic** plan submission: Complete and upload this form into the Prerequisite Checklist subfolder under Documents. **All items are required, unless specifically noted otherwise.** Check the box on the list if the item is included and indicate the sheet number where the item can be found. Mark "N/A" if a sheet number is not applicable. **NOTE:** Plans submitted for review must be ready for construction. Submitted plans sheets and details may "NOT" be marked "Preliminary" or "Not for Construction."
