**Footnotes:**

- 1 Houston in the document title indicates the adopted version, including local amendments.
- 2 National Fire Protection Association (NFPA) 70, National Electrical Code (NEC).
- 3 National Electrical Safety Code (NESC), American National Standards Institutes (ANSI).
- 4 National Fire Protection Association (NFPA), Lighting Protection Code (LPC) Pamphlet.
- 5 With 2014 edition of the Houston Administrative Amendments.
- 6 Ordinances revising adopted codes are represented by the letter "R" along with an appropriate revision number for that specific code change. The code revisions include the ordinance number and its correlating effective date. Example: "R1-2009-0905 and R1-09/30/2009" refers to "Revising Ordinance #1-2009-0905" with an effective date of "09/30/2009". The revising ordinances include modifications to specific code provisions that change the originally adopted code.

**\*\* NOTE:** Although an exhaustive search was conducted to identify the adopted ordinances and subsequent revising ordinances applicable to the Houston Construction Code, the ordinances identified above may not be the complete list of ordinances applicable to the referenced codes. From time to time the list of ordinances identified herein may change to included ordinances found to be inadvertently excluded from this document.
