request that a "Drain Layer's License" be issued to me. I expect to engage in the business of constructing sewers in the City of Houston.

I am thoroughly familiar with the Ordinance of the City of Houston relating to sewer construction and with the current "City of Houston – Specifications for Sewer Construction" and agree to carryout all sewer construction in accordance therewith.

I agree to secure a permit from the city for each job before starting construction thereon and will personally supervise all work constructed under permits issued to me. I agree not to construct sewer house connections. (State laws require that house connections be made by licensed plumbers.)

As evidence of my qualifications, I submit the following summary of my work experience:
