Note: Temporary waivers for federal or state provided manufactured home or recreational vehicles must be submitted by FEMA or the Texas General Land Office, or an agent thereof, on behalf of the resident.

ACKNOWLEDGEMENTS

INITIALS The applicant/resident is applying for a waiver of Chapters 19 and 29 of the City Code for the temporary placement and use of a manufactured home or recreational vehicle ("Temporary Housing") due to damage to the residence caused by Hurricane Harvey.

INITIALS The applicant/resident declares that he/she has lived at the property for all or part of 2017 in a residence that is currently uninhabitable due to Hurricane Harvey damage.

INITIALS The applicant/resident acknowledges that placement of the Temporary Housing below the base flood level increases the risks to life and property of the person(s) residing in the Temporary Housing as well as the residents of this City and the surrounding area.

INITIALS The applicant/resident acknowledges and understands that, if granted, the Temporary Waiver will expire 180 days from issuance. The Building Official may grant a one-time extension for an additional 180 days if repairs to the residence are incomplete and the residence remains uninhabitable.

INITIALS The applicant/resident understands that all Temporary Housing must be removed from the property no later than August 31, 2019.
