

Section 01145S

USE OF PREMISES

*The following supplement modifies Section 01145 - USE OF PREMISES Standard Specification. Where a portion of the Specification is modified or deleted by this Supplementary Specification, the unaltered portions of the Specification shall remain in effect.*

1.05 NOTIFICATION TO ADJACENT OCCUPANTS: **Add Paragraph D. to 1.05**

- D. In regard to notifications on all small-diameter water lines (as defined in City of Houston Specification 02512), the Contractor must perform all customer notifications and complete a Notice of Customer Communication form provided by the Project Manager that such notice has been given 48-hours in advance of any water disruptions. Notification must also include the approximate duration of planned service outages. The City of Houston Inspector must have the completed Notification of Customer Communication form before the commencement of valve assisted work.

Follow the form and content of sample door hanger provided by Project Manager.
