Notice: This application is required by Article XII, Chapter 47 of the City Code of Ordinances governing Storm Water Discharges.

The applicant hereby agrees to comply with the Code of Ordinances which includes the following conditions:

1. **This permit expires on the expiration date indicated and must be renewed annually.**
2. The SWQ permittee shall submit a renewal application and the applicable renewal fee not more than 30 days but not less than five days prior to expiration.
 - Failure to renew the permit may result in enforcement action.
3. The attached Owner's Affidavit certifies that the owner has read the maintenance and operation requirements of the Storm Water Quality Management Plan (SWQMP) and agrees to follow the requirements of the plan.
4. This permit shall be amended if there is a change in ownership.
 - Amendment shall be submitted within ten days after any such transfer to a subsequent owner or to a third-party permittee.
5. The obligation to have and comply with a SWQ permit shall continue in perpetuity and shall run with all the land covered by the original SWQ permit.

The City may revoke this permit if the City Engineer determines that any information on this application is false.

This SWQ permit is effective upon signature by the City's Storm Water Quality Engineer, or his/her authorized representative.
