Electronic (LED) Signs - Changeable Message and High Technology Acknowledgement Receipt

• Notice is hereby given to the sign owner, occupant, or leaseholder about the Houston Sign Code Regulations, rules, or ordinances pertaining to changeable messages. The lighting of the sign and sign structure must comply with Section 4611(h) of the Houston Sign Code regulations.

SECTION 4611--ON-PREMISE SIGNS

(h) Changeable Message and High Technology Signs. Save and except for signs erected pursuant to the provisions of Section 4620, the following provisions shall apply to all existing and new changeable message and high technology signs:

(1) Blinking, rotating, moving, chasing, flashing, glaring, strobe, scintillating, or spot lights are prohibited.

(2) Lights or colored elements creating a continuously moving, shimmering, or prismatic effect, or the use of rotating or moving parts in association with such lights or colored elements, are prohibited.

(3) A changeable message sign may not change the message more often than every five minutes and must change the message within one second or less; a high technology sign may not change the message without a new permit.

(4) Brightness limits shall be set at a maximum of 6500 nits between sunset and sunrise, and at a maximum of 1250 nits between sunset and sunrise, and each sign shall be fitted with a qualified light sensing device to automatically adjust the brightness in accordance with these standards.

Person or persons responsible for the sign must sign this acknowledgement upon submitting the application. A citation will result for any future violation(s). If you disagree with the interpretation by the City of Houston Sign Administration, you have the right to appeal in accordance with Section 4604(e) of Houston Sign Code Regulations.
