

NOTICE OF MODEL CODE AMENDMENT AND PUBLIC COMMENT PERIOD

The purpose of this notice is to advise the public of proposed amendments to the City of Houston Construction Code and to provide the public with an opportunity to submit a public comment on the matter during the public comment period.

MODEL CODES TO BE AMENDED:

- 2015 International Building Code
- 2015 International Residential Code
- 2015 International Fire Code
- 2015 International Existing Building Code
- 2015 Uniform Mechanical Code
- 2015 Uniform Plumbing Code
- 2018 Swimming Pool and Spa Code

PROPOSED TEXT OF AMENDMENTS:

The full text of the proposed amendments may be viewed at:
<https://www.houstonpermittingcenter.org/building-code-enforcement/code-development>

PUBLIC COMMENT:

You may submit public comments about this code adoption or amendment. Public comments must be submitted in writing by email to Heath.Wierck@houstontx.gov or in person at the Code Development Office located on the 4th floor at 1002 Washington Avenue, Houston, Texas 77002. All public comments will be considered prior to the conclusion of the public comment period. A copy of the written response will be sent to each person who submits a public comment and to all parties who have signed up for notices and alerts through the Code Development website.

For more information on submitting a public comment please view the public comment form and instructions located on our website at: <https://www.houstonpermittingcenter.org/building-code-enforcement/code-development>

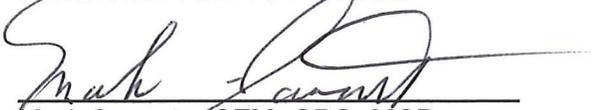

ACCESSIBILITY:

Persons with disabilities who need special accommodations to participate in the code adoption process should contact the Code Development team at Heath.Wierck@houstontx.gov or by phone at 832-394-9171. Interested parties may also contact our department by using the 1-800-RELAY-TX (TDD) service.

COMPLIANCE:

This notice is posted on the Code Development website at least 21 days before consideration of a model code adoption/amendment in compliance with Section 214.217 of the Texas Local Government Code.
