

City of Houston Registered Master Plumber List

Disclaimer: This list contains the names and contact information of plumbers who are registered with the City of Houston to offer and contract plumbing work to the general public. This list contains the last known contact information associated with the registrant. This site is provided as a free public service, for informational purposes only. The City provides this non-exhaustive information about City of Houston registered plumbers to enhance the public's access to information about plumbers/plumbing companies registered annually with the City of Houston. Although this website provides information about registered plumbers, the City does not endorse or recommend any plumbers or companies on this list, nor do we verify the accuracy of information on the plumber or plumbing company's sites or information provided by these providers, and the City does not control and is not responsible for the contents of any of these third-party resources/websites. Nor is the City responsible for any of the services provided by any of the listed plumbers or companies. The inclusion of a plumber or plumbing company on this site does not imply and should not be interpreted as constituting or implying any endorsement, recommendation, sponsorship, support, affiliation, or approval by the City of that site or the plumber/plumbing company or the information on the plumbers or company's site, nor the products or services they offer. The City makes every effort to keep the information on this website up to date, but does not guarantee the accuracy, reliability, or currency of this information. You are responsible for researching the reputation, qualifications and other criteria in selecting and hiring (at your cost) your own plumber or plumbing company. Should you elect to hire a plumber or plumbing company, the contractual relationship, if any, is between you and plumber or plumbing company and the City does not assume responsibility and disclaims all liability regarding the plumber or plumbing company and the accuracy of the information on this list.
