

City of Houston Registered Mechanical Contractor List

Disclaimer: This list contains the names and contact information of mechanical contractors who are registered with the City of Houston to offer and contract mechanical work to the general public. This list contains the last known contact information associated with the registrant. This site is provided as a free public service, for informational purposes only. The City provides this non-exhaustive information about City of Houston registered mechanical contractors to enhance the public's access to information about mechanical companies registered annually with the City of Houston. Although this website provides information about registered mechanical contractors, the City does not endorse or recommend any mechanics or companies on this list, nor do we verify the accuracy of information on the mechanical company's sites or information provided by these providers, and the City does not control and is not responsible for the contents of any of these third-party resources/websites. Nor is the City responsible for any of the services provided by any of the listed mechanical contractor or companies. The inclusion of a mechanical company on this site does not imply and should not be interpreted as constituting or implying any endorsement, recommendation, sponsorship, support, affiliation, or approval by the City of that site or the mechanical company or the information on the mechanical contractor or company's site, nor the products or services they offer. The City makes every effort to keep the information on this website up to date, but does not guarantee the accuracy, reliability, or currency of this information. You are responsible for researching the reputation, qualifications and other criteria in selecting and hiring (at your cost) your own mechanical contractor/company. Should you elect to hire a mechanical contractor/company, the contractual relationship, if any, is between you and the mechanical contractor/company and the City does not assume responsibility and disclaims all liability regarding the mechanical contractor/company and the accuracy of the information on this list.
