

APPROVED STREET & BRIDGE PRODUCTS

NOTES:

1. The City of Houston's (City) approved product list includes products that have been reviewed by Houston Public Works (HPW). The City does not intend to discourage the use of products that are not included on this list. A product that meets the City's technical specifications, and is reviewed by the Engineer of Record, per the City's 00700 document and specification 01330, for a specific project may be allowed on City's projects, even if it is not included in the "Approved Products List".
2. All products (including Approved Products) are subject to review and approval by the Engineer of Record, per the City's 00700 document and specification 01330, prior to use on City's projects.
